

HKU Shuttle Bus App

Overview

The University of Hong Kong Shuttle Bus application (HKU Shuttle Bus App) offers a mobile app for users to enquire on the bus routes, supporting users with the flexibility of searching the desired boarding and/or destination location. It provides the best route for the selected schedule and other useful information, including the details of scheduled arrival time, bus stop photos, location on Google map. It greatly enhanced user experience.

The HKU Shuttle Bus App is available on both Android (version 4.0 or above, download from Google Play) and Apple iOS (version 8.0 or above, download from iTunes App Store) devices.

Installation

Step	Android	iOS
1	Open the Google Play Store 	Open the App Store 
2	Search “HKU Shuttle Bus” and select the application.	
3	Click on the “INSTALL” button.	Click on the “Free” button.
4	Click on the “ACCEPT” button on the App permission screen.	Login with your Apple ID to begin the download.

5

Click the HKU Shuttle Bus app icon on your phone.

Quick Guide

Function	Step	Screen
Menu	<p>a.</p> <ol style="list-style-type: none"> I. Click the menu icon  on the top right corner. II. Function menu will be shown. 	 <p>The screenshot shows the main interface of the HKU Shuttle Bus app. At the top, there is a green header with the app name and a menu icon. Below the header, there are input fields for 'From' (Starting location), 'To' (Destination), 'Date' (Jan 24, 2017), and 'Time' (09 : 33). A search bar is visible at the top right. A menu is open, showing options: Search, Fare, Route, Setting, and HKU App.</p>
Search	<p>a.</p> <ol style="list-style-type: none"> I. Input the "From" field. II. Click the "Find nearby bus stops" button. III. The nearby bus stops will be shown. IV. Input the "To", "Date" and "Time" fields. V. Click the "Search" button. 	 <p>The first screenshot shows the 'From' field filled with 'Flora Ho Sports Centre' and the 'Find nearby bus stops' button highlighted.
