Dear Sir,

**Alteration & Addition Works  
under Building (Administration) Regulations 25 & 26**

Your Form BA14 dated 28 August 2017 was received by this department on 29 August 2017. On the Form, you have certified that the alteration and addition works carried out at 21 Sassoon Road, Hong Kong (Faculty of Medicine Building) – I.L. 8915 have been completed in accordance with the plans approved by the Building Authority and that the works are, in your opinion, structurally safe.

2. On the basis of the certification on the Form BA14 and the information available, I advise that the Building Authority has no objection to the completed works as shown on the approved plans.

3. This letter also serves to record that you have, accompanying the said Form BA14, provided me with the following set of plans certifying the extent of works completed under your supervision: -

Plan No.  
3344/001 (Rev.2)  
3344/003 (Rev.2)
